STORY TIME WITH BIG TED

We have designed adorable *30 minute Story Time Events* inspired by 4 classic children's stories. Winnie The Pooh, Goldilocks & the 3 Bears, Paddington Bear & Rupert Bear.

Each event starts with a *Teddy Bear's Picnic* hosted by Daisy Dolly. A free *weekly e-recipe* will be available that ties into the story of the week, for families to prepare at home, if they wish, before joining the ZOOM event. After the picnic it's *Story Time* and children get to join in with their Teddies and Toys at home.

As a finale Daisy Dolly will lead peek-a-boo *Teddy Bear Hunt* around Teddy Bear Town to find where Big Ted is hiding. Can you help find him?

Optional *Build A Teddy kits* are available, that can be sent out to your guests, so that families could make their very own Teddy Town Ted.

TEDDY BEAR STREET PARTY

Invite all your toys, put on your party clothes, decorate your front room and join Daisy Dolly for a vibrant, noisy ZOOM *Teddy Bear Street Party!*

Each front room Street Party is 30min of fantastic fun, and starts with our unique *Teddy Warm up*, featuring classic games with Teddy Twist, such as *Stuck in the Honey* and *Teddy Footsteps*. Then its time to put on your dancing shoes for the *Teddy Town Disco!*

As a finale Daisy Dolly will teach the children *Bear Friendly Balloon Games*. A new game every week, so even after the party the children can play.

We will be offering optional *Street Party Bunting kits*, that can be sent out to your guests, so kids can design their own fabric bunting, before its Party Time.

An envelope of *Street Party balloons* can also be sent in the Teddy Bear Post.

INTO THE WOODS CRAFTS

Into the Woods is a calm and gentle *creative craft session* with an *edu-tainment* twist. Each 30 minute masterclass has a *nature theme* and together with Daisy Dolly children create their own masterpieces from collages, to woodland cards to send to family members, pine cone figures or woodland masks to wear.

Prior to the 30 minute ZOOM session we will send an e-list of simple items to have to hand, such as paper, glue and pens as well as a suggestion of leaves, sticks, flowers and cones etc. to forage for, on the *family's daily walks*.

After the craft class, it's up on your feet as Daisy Dolly gets the kids jumping around to the *ugly Bug's Ball*.

We will be offering an optional *into The Woods Craft Kits*, to send out to families, as that might be easier or preferred.

CARDBOARD BOX THEATRE

Release your inner Diva with this engaging and interactive *30 minute Zoom Theatre show*. In week one we will send a free download with a template & instructions on how to make *your own cardboard theatre*. Then with each booking we send out a story with a *super simple script* to read at home with the family before its curtain up time!

The ZOOM session starts with crafting your *stick puppets*. All you'll need is card, pens and ice lolly sticks. Daisy Dolly will show you how. Then its time to *rehearse the show!* Daisy Dolly will teach the children actions to go along with the story, so when its *Lights, Curtain, Action* everyone can join in.

For the finale Daisy will perform the story in *Teddy Town*, and the kids at home join in, in true pantomime style!

An envelope of *Stick Puppet Kits*, can also be sent in the Teddy Bear Post.
